Alone again tonight
This bottle by my bed and I think
Damn my heart and damn my head
I'm dreamin' of a girl that never dreams of me
And it's not fair, she won't let me be

And if I find redemption at the end of the line
I'll remember better days and a time when she was
mine

And I'd scream
Hold on, hold on just one more day
Let go, let go and walk away
You're gonna die lonely is what she said
But I don't feel lonely
With you runnin' through my head

She's never comin' back
There's no reason that she would
She probably wouldn't try, even if she could
I haven't slept in days and I haven't seen the sun
And I think damn my luck, that I just can't outrun

But if I find redemption at the end of the line
Twisted in the wind just like I'm runnin' out of time

And I'd scream
Hold on, hold on just one more day
Let go, let go and walk away
You're gonna die lonely is what she said
But I don't feel lonely
With you runnin' through my head

And if I find redemption at the end of the line
I'll remember better days and a time when she was
mine

And I'd scream
Hold on, hold on just one more day
Let go, let go and walk away
You're gonna die lonely is what she said
But I don't feel lonely

No, I don't feel lonely
But I don't feel lonely
With you runnin' through my head

Alone again tonight
This bottle by my bed
And I think, damn my heart...
