I have this friend
Her name is Claire
And she is always there
For me
I love her style
And her beautiful smile
She's really nice
I feel like I can trust her with my life

She is a great friend
And I hope this lasts until the end

This is my song for Claire
None of my friends can compare
To this awesome girl
I am glad I met her

Me and Claire haven't been friends for long
But just long enough for me to write her this song
She has a great heart
And I can't even start
To list her qualities

She is a great friend
And I hope this lasts until the end

This is my song for Claire
None of my friends can compare
To this awesome girl
I am glad I met her

If I hadn't met her
I'm not sure where I'd be
Me and Claire are friends
And that's what everyone else can see
