I look into those brown eyes
A smile is on my face
This is what love truly is
Our relationship will have it's ups and downs
It will have it's issues
But I will still be smiling at you
I'll say that "I love you too"
Because no matter what we go through
I'll always be in love with you
When our lips intertwine, I'm happy to call you mine
You bring meaning to my life
I look into those brown eyes
Your warm embrace is heavenly
When I'm in your arms, I feel safe
You're my protection, my guardian, my true love
Like an angel sent from above
I'll never let you go...
I just need you to know that
When times get rough, I'll still be smiling at you
