At my door the leaves are falling
A cold, cold wild wind has come
Sweethearts walk by together
And I still miss someone

I never got over those blue eyes
I see them every where
I miss the arms that held me
When all the love was there

I go out on a party
And look for a little fun
But I find a darkened corner
'Cause I still miss someone, alright

I never got over those blue eyes
I see them every where
I miss the arms that held me
When all the love was there

I wonder if she's sorry
For leavin' what we'd begun
There's someone for me somewhere
And I still miss someone
Yes, and I still miss someone
