I'm sittin' here at the edge of my bed,  
I'm singin the blues and hope that you come back to  
me.

My heart is bleadin'and I'm cryin'in my beer.  
Never thought that I would miss you so much.  
And I don't wanna die, but this feeling's killin'me  
And I don't know what to do.

Missing'you-and I hope you miss me too.  
Missing'you-and I don't know what to do.

I'm like fire and you're the air and I need you to burn.  
I miss your sweet voice singin'our songs, the way you  
smile.

The sparklin'in your eyes, wanna hold you tight.  
Wanna kiss you again.  
And I don't wanna die, but this feeling's killin'me  
And I don't know what to do.

Missing' you-and I hope you miss me too.  
Missing' you-and I don't know what to do.  
Missing you!
