With a high tolerance
For sad events
You were the one
I used to hurt someone else
I'm the bystander
The untrustworthy hand
Now you see me
In everything you can't stand

How many times
Must I repeat this:
I am capable
Capable to love, I am
Capable to give and to receive
I am capable
Capable, I'm capable
I'm capable to love I am
Capable of cruelty but I try
Not to be cruel

A decade so lonely
Only death wishes grew
If you think it's a joke
Or worse a lie then fuck you
Guess that I needed
To say it out loud
That's how it was
The wrong language and time

I want to be held
And to hold back now
I am capable to love
Capable to love, I am
Capable to give and to receive
Capable
Capable, I'm capable
Capable to love, I am
Capable of cruelty but I try
Not to be cruel

You can't take my dreams I repeat:

I am capable of love
Capable to love I am
Capable to give and to receive
I'm capable
Capable, I'm capable
Capable to love I am
Capable of cruelty but I try
Not to be cruel
I am capable of love
Capable of love I am
Capable to give and to receive
I'm capable
Capable, I'm capable
Capable to love I am
Capable to give an to receive I am
