Exhaust curls out  
An expanding night  
She's a heap of bad luck and feelings  
On the passenger seat  
Following the dark line of trees  
Short fuse, everlaster  
Sky is huge like a nightmare  
Spinning faster, get it all over with

Whatever the cost  
Whatever was lost  
Some always follow  
This is the edge of the river  
Swallowed by waters  
Deeper and bigger

Don't care if there's a goal  
Or chosen road  
Sometimes it scares her  
Heartache from what no one can see  
Small fields seas of pinetrees  
Firm chaos, frail disaster  
Can't remember what she was after  
Spinning faster, everlaster

Whatever it was  
Whatever the cost  
Some always stay lost  
This is the end of the river  
Swallowed by waters  
Deeper and bigger  
This is the place  
'Cause it's never the same
