Past midnight stories  
Ghosts for laundry  
The soul is bare  
When time is sleepy  
Start the machines

Past midnight's perfect  
For ghosts and laundry  
Coffee and all the rest  
Context to silhouettes  
This is how it feels

Past midnight is a place  
That's holy in itself  
It's connected to somewhere else  
That's stationed out in space

Past midnight's in me  
Ghosts for laundry  
Unaware of their voices  
Calling somebody  
No, they're not bugging  
Me no, they're not bugging me
