He came out on top though he had a bad day  
Not enough though, still bills to pay  
I really would like money to change my life  
But it won't happen, no, no

I'll settle for the cheaper things  
A long white cloud, a leaf, the wind  
To make my life liveable, understandable  
Not just a waste of time  
More than a waste of time

He woke up again though he actually swore  
He'd wake up with someone or not anymore  
I really would like love to change my life  
But it won't happen, no, no

I'll settle for the cheezier things  
My hands go to work, a magazine  
To make my life liveable, understandable  
More than a waste of time  
Not just a waste of time
