Between the streetlight being brighter than the half
moon

I can't help but lay awake in my bedroom
The calm water should inspire my weary eyes
But this boy is running wild in overdrive

The hushed street is booming louder than my
heartbeat

The sunrise reverberates, I will never sleep
The calm water should inspire my weary eyes
But this boy is running wild in overdrive

Roll around, hair in a fit, rattle on thoughtful mind
Cruel world, can't change a thing, crying at the
television

Falling thru door after door into another room
Break down in a dreamless mood
The calm water echoes back in my weary eyes
But this boy is holding on to his thoughtful mind

Roll around hair in a fit, rattle on thoughtful mind
Cruel world can't change a thing, crying at the
television
Roll around hair in a fit, rattle on thoughtful mind
Cruel world can't change a thing

Concrete breaks apart by my thumping heavy heart
Go on, go in, fall asleep
The calm water pulls me down with my weary eyes
So this boy can get lost his thoughtful mind

Wonderful peace in the air
Cruel world you are alone
Don't say that you aren't
A little bitter
A little confident, you loose
You are, falling out, the high window

Roll around, hair in a fit, rattle on thoughtful mind
Cruel world, can't change a thing, crying at the
television

Roll around, hair in a fit, rattle on thoughtful mind
Cruel world, can't change a thing
