Come new year's day's morning
Now what did you promise this time?
Can you remember
What accidentally slipped your mind?
No more degrading
Or humiliating stunts?
What were you saying
Before you pulled down your pants

You're so much more
Than a number on a mensroom wall
So much more
Than a scratch on a bedpost
You're so much more
Than a hole guys get off on
You could be anything at all

I am entitled
To speak my mind about what you do
I'm not patronizing,
I am merely endorsing:
Do what you want to
Not what others expect from you
You are a person
And should demand some respect

You're so much more
Than a number on a mensroom wall
So much more
Than a scratch on a bedpost
You're so much more
Than a hole guys get off on
You could be anything at all

You're so much more
Than a number on a mensroom wall
So much more
Than a scratch on a bedpost
You're so much more
Than a hole guys get off on
You could be anything at all

You're so much more
Than a number on a mensroom
You're so much more
Than a number on a mensroom
You're so much more
Than a number on a mensroom
You're so much more
Than a number on a mensroom
