I am expecting the mail I am expecting it  
I watch him walking from house to house  
I am expecting the mail I am expecting it  
Outside with your garbage hands  
So you can bandage yourself up  
Now just a little bit more.  
Help in the largest layers of love  
I didn't go to school there  
But I know 6 kids who did got you two graduation  
presents  
Have for now save for later  
Ring in the ear to the jungle prize fighter  
Ring in a voice in the weather  
Well it's been 15 years in troubled bones or maybe  
more  
Those scenic oaks they buried me into that spider web  
you waited in the forest  
Pushing popsicles to webs that never melt or end  
You gave it all for a piece of land  
Gave it all for a reason that we should believe in
