So deep in the heart of a fantasy
A long kiss
A love affair
An inferno no no no
Lonely dreamers
Sailing to
The world of freak out
Shades of green
Cold and blue
In the shadows
We watch waves
Shades of red
Yellow too
I see in your eyes
A crazy thought
A guilty thought
Get it out of you
Night dawn day dusk
Night dawn day dusk
The world of freakout
Freak out
Freak out
Freak out
Whoaâ€¦
The world of freakout
Freak out
Freak out
Freak out
Whoaâ€¦
The world of freakout
So deep in the heart of a fantasy
A long kiss
A love affair
An inferno
No no no
Lonely dreamers
Sailing to
The world of freak out
Tie you feelings to a scar
And re-live that bitch everyday
You want your man to change
So you just bitch out everything

Night dawn day dusk
Night dawn day dusk
