Every now and then  
We find a special friend  
Who never lets us down  
Who understands it all  
Reaches out each time you fall  
You're the best friend that I've found

I know you can't stay  
A part of you will never ever go away  
Your heart will stay

I'll make a wish for you  
And hope it will come true  
That life would just be kind  
To such a gentle mind

If you lose your way  
Think back on yesterday  
Remember me this way  
Remember me this way  
Hmm, this way

I don't need eyes to see  
The love you bring to me  
No matter where I go  
And I know that you'll be there

Forever more apart of time  
You're everywhere  
I'll always care

I'll make a wish for you  
And hope it will come true  
That life would just be kind  
To such a gentle mind

If you lose your way  
Think back on yesterday  
Remember me this way  
Remember me this way  
Hmm, this way

And I'll be right behind  
Your shoulder, watching you  
I'll be standing by your side  
And all you do

And I won't ever leave  
As long as you believe  
You just believe

I'll make a wish for you  
And hope it will come true  
That life would just be kind  
To such a gentle mind

If you lose your way  
Think back on yesterday  
Remember me this way  
Remember me this way  
Hmm, this way
