I better know, what's in a name?  
I better get, what's in a name?  
I better see, what's in a name?  
I better love, what's in a name? (Yeah, yeah, yeah)

You know what it means  
You know what it seems  
You better know what it will like  
You better go, and take a hike

I better know, what's in a name?  
I better get, what's in a name?  
I better see, what's in a name?  
I better love, what's in a name? (La, la, la)

You better see what is like (Yeah, yeah, yeah)  
You better know what is like (La, la, la)  
You better have what you've got (Yeah, yeah, yeah)  
But don't touch it it's H.O.T. (HOT!)

(Fade Chorus)
