I Wait around the train station,
Wait for that train to take me away,
Lord, take me the hell out away from here,
Take me from this lonesome town

Too bad you don't love me no more, babe
Too bad your people cool me down, oh, down

I Hear My Train A Coming

Get rid of me
Get rid of me and my soul
Oh, lots of brothers get in there
Get rid of me and my heart
Tears burnir' me down in my soul

Too bad you don't love me no more, babe
Too bad your people... Lord, can they be cruel

Hear My Train A Coming

I gotta leave this town
Lord, I gotta leave this town
Gotta go on the road right now, baby
Lord, I gotta be a fool to try, baby

Go on your world to become a magic voyage
Come back and buy this town
Come back and buy this town
And give it all - give it all - give it all to you

Yeah baby, you make love to me one more time
And Lord, I gotta give it - give it all to you
All my love is for you, baby
