Chorus:

Girl, I'm so proud of you baby
And I just wanna show you off
... pretty lady
I'll take you anywhere you are
(What you're trying to do?)
Just let 'em hate on you baby
Uh, and they only makes us strong
Baby you make it oh so much
Shawty, you're a... don't you ever stop...

You're so precious, you leave me breathless
You... girl, I gotta confess that you're the best in the
world, girl
I'm a pimping, I'm slick as a... , girl,
So you know why I had a lot of ladies
But you drive me crazy!
You should get married to Cass and have a lot of
babies
They call all men dogs, but I ain't got the...
Girl, you're pretty as my drove Mercedes
But ride out like my new truck, you're too much.
Lets' do us, and live happily ever after
I have to smile I'm looking at you
And that's the reason why I'm in love with you
And bo, you know I wouldn't say it if it wasn't true!

Chorus:

Girl, I'm so proud of you baby
And I just wanna show you off
... pretty lady
I'll take you anywhere you are
(What you're trying to do?)
Just let 'em hate on you baby
Uh, and they only makes us strong
Baby you make it oh so much
Shawty, you're a... don't you ever stop...

Girl, you're the best for me, mentally and sexually
I can be drug free, and still feel ecstasy
Especially, when you're there laying right next to me

I'm hungry for love, and... you got the receipt
A lot of chicks chase after Cass, but they ain't catching
me
They can keep pressing em, but they could never mess
with me
Definitely, plenty of women can say they slept with me

Cause I got strikes like...
But preferably I want a woman that could not only have
sex with me
But... connect with me, what you expect from me?

Chorus:
Girl, I'm so proud of you baby
And I just wanna show you off
... pretty lady
I'll take you anywhere you are
(What you're trying to do?)
Just let 'em hate on you baby
Uh, and they only makes us strong
Baby you make it oh so much
Shawty, you're a... don't you ever stop...

I'll never love a woman more than me.
You're so adorable, and you're so faithful that I can
never replace you
And all the men that you've been they ain't appreciate
you
All the men today, they're trying to manipulate you
I'm trying to satiate you, place you on a pedestal
Place you on a pedestal
You ever choose a dude like me, you can never lose
Whoever you choose, I hope he treat you right
Cause if ain't treat you right, I can't sleep at night!

I said homie, if you love your girl
Go ahead and show her to the whole wide world
Show her off, show her off, show her off
Show her off, show her off, show her off
I said homie, if you love your girl
Go ahead and show her to the whole wide world
Show her off, show her off, show her off
Show her off, show her off, show her off

Chorus:
Girl, I'm so proud of you baby
And I just wanna show you off
... pretty lady
I'll take you anywhere you are
(What you're trying to do?)
Just let 'em hate on you baby

Uh, and they only makes us strong
Baby you make it oh so much
Shawty, you're a... don't you ever stop...
