[Chorus: Mashonda]
So many nights I felt like crying,
Can't get you off my mind
All this time I felt like dying,
Love so hard to find
(So i) Gotta move on
(Yes I) Gotta stay strong
(And I) Gotta keep it goin' so long, so long

[Verse 1: Cassidy]
Its usually the beauty that attract me
But perhaps she was the right person
Her peronality made me happy, and that's why i
pursued her ima dude to make manuevers
If i choose her, then she rip
'cause my dick's long as a ruler
She may be kinda crazy,
Its cool as long as i school her
Im smoothe as grand poova and i can charm a
computer
For us to conversate all it take to make an impression
Like a teacher lecturing when im speakin she takin
lessons
But everytime we argue and fight i feel like im dyin, i
feel like cryin
I tell u tha truth but u feel like im lyin

But ima move on 'cause im
Strong as ever witout u
I could do better, but i could never forget about u girl

[raekwon]

Ayo i laced you wit the girl bracelets when you was
young
Doing your thing you want the M5 I buy you the
buinesses,
Queen of the temple with the scent of a lemon,
All of the linnen,
Shit at the time Im just reserving your ?
With all that long hair,
Sexy wear, Walk in your von gear,
We at the palm, you all up under my arm wear,
We shopping, embracing you with locks and glocks,
And tims, flying from Africa yo back to the block,
You just a siddolger, that's why your ones is ozzed up,
'cause when I needed you, you never get frozzed up,
A laced out lady with taste,
I gotta just kiss your face,
Keep your nigga grounded, these are the brakes, one..

Mashonda singing hook

(Cassidy)

Without us being close it's depressing,
They say nobody perfect,
But honey-roasted complexion is close to perfection,
Plus she gotta body that could prolly turn a gay man
straight,
To stay in shape mammi started taking karate,
So while she get it in the gym running the treadmill,
Im running from feds still,
Keep one in the head still,
I be remenicen boo,
Missing you, that's being real
'cause you nice in the bed and you nice with the head
skills,
You awfly fine,
I can't get you off my mind,
I aint frontin yeah I lost it dime,
But you crossed the line and ain't follow directions,
You gone, getting back together out of the question,
I moved on.....
