Everyday you know you gotta hustle, baby  
You can't knock the hustle, baby  
Everyday you know you gotta hustle, baby  
(I'm a hustler, I'm a, I'm a hustler, homie)  
You can't knock the hustle, baby

Everyday you know you gotta hustle, baby  
(I'm a hustler, I'm a, I'm a hustler, homie)  
You can't knock the hustle, baby

See I got my mind right, I'm a stay on the grind  
I'm a put my work in, get in where I fit in  
(Cause I hustle)  
Seven days of the week  
(I hustle)  
Just to stay on my feet

To all my single parent mothers just tryna survive  
Doing what you gotta do, workin' nine to five  
(Cause you hustle)  
Gotta put food on the table  
(You hustle)  
Gotta keep the family strong

See I rhyme for the money but I twenties and dimes  
I got my mind on my money for the money I grind  
(Cause you hustle)  
I'm just tryna feed my seed  
(You hustle)  
'Cause my mom need the cheese

This for my niggaz on the struggle that's tryna survive  
That's ex cons so they can't get a nine to five  
(Cause we hustle)  
Hit the block do what you do  
(We hustle)  
'Cause other niggaz doin' it too, yeah

Everyday you know you gotta hustle, baby  
(I'm a hustler, I'm a, I'm a hustler, homie)  
You can't knock the hustle, baby  
Everyday you know you gotta hustle, baby

(I'm a hustler, I'm a, I'm a hustler, homie)  
You can't knock the hustle, baby

I stay with the trey pound, I ain't playin' around  
I got my gat at all times, that's the bottom line  
(Cause you hustle)  
Yeah, 'til I lie in the crate  
(Cause you hustle)  
Yeah, and I'm a try to get paid

This for my niggaz in the street that play with the heat  
It's Cassidy and M.J. on this Swizz beat  
(Cause we hustle)  
12 months of the year  
(We hustle)  
It ain't a bunch of frontin' [Incomprehensible]

Gotta hold my man down, we ain't playin' around  
Got his back at all times, that's the bottom line  
(Cause we hustle)  
'Til the day we die  
(Cause we hustle)  
To keep our love alive

To my fam' in the streets we bringing the heat  
Cassidy and Mary J. on the Swizz beat  
(Cause we hustle)  
7 days a week  
(Cause we hustle)  
Just to stay on our feet, yeah

Everyday you know you gotta hustle, baby  
(I'm a hustler, I'm a, I'm hustler, homie)  
You can't knock the hustle, baby  
Everyday you know you gotta hustle, baby  
(I'm a hustler, I'm a, I'm hustler, homie)  
You can't knock the hustle, baby

Check it, you can fear or respect it  
I wanna thank HOV for clearin' the record  
If you don't like this song right here then your ears  
infected  
You need to get your hearin' corrected

Stones clear in the necklace, I wear so much plat on my  
neck  
It put bruises on the back of my neck, that's why cats is  
upset  
But I told you I'ma shine when it's time to  
I put too much time and I been rhymin' since nine two

I knew 'I'm a hustla' was a hit  
'Cause everything I ever got I had to hustle to get  
Ain't nobody give me nothing for free  
But I'd probably be dead or in jail if it wasn't for T

Gettin' booked is a bitch and catchin' a slug, scary  
I need to feed my seed, thanks for the love Mary  
But seein' me without the grams on the grind  
Is like seein' Wesley Snipes in the tannin' salon

Everyday you know you gotta hustle, baby  
(I'm a hustler, I'm a, I'm a hustler, homie)  
You can't knock the hustle, baby  
Everyday you know you gotta hustle, baby  
(I'm a hustler, I'm a, I'm a hustler, homie)  
You can't knock the hustle, baby

Do that dance, do that dance  
If you a hustla then do that dance  
Yeah, let's go  
Do that dance, do that dance  
If you a hustla then do that dance  
Yeah, let's go

Do that dance, do that dance  
If you a hustla then do that dance  
Yeah, let's go  
Do that dance, do that dance  
If you a hustla then do that dance  
Yeah, let's go

Everyday
