

The Bears

"None Of The Above"

Visit "[None Of The Above](#)" on MotoLyrics.com

Full color cover shot

Self magazine

where the limos go

people start to scream

shiny women on a yacht

these are things I ain't got

None of the above

Top ten well dressed men

every hair in place

author, skier, millionaire

epitome of taste

always willing, always hot,

all these things I am not

None of the above

I wish I was invisible,

intelligent or pretty

but I'm none of the above
