Damn I miss the, damn I miss the, damn I miss the
game

Game, when it's gon' come back, come back?

I'm gettin' tired of the dumb rap, dumb rap

Man I done been there and done that, let's move on

Damn I miss the, damn I miss the game

Game, when it's gon' come back, come back?

I'm gettin' tired of the dumb rap, dumb rap

Man I done been there and done that, let's move on

Damn I used to love this rap shit

When it was on some gold rope, Kangol hat shit

Now e'ry rapper on some bust that gat shit

Cut that crack shit, fuck that whack shit

Public Enemy was on some power to black shit

Rap cats need to get back on that shit

They need to try switchin' they flows

'Cause all of our women ain't bitches and hoes

And e'ry rapper out got a brick on the stove

And his wrists all froze and he whippin' the Rolls

To hear that, I can listen to Hov'

You bullshit and then you gettin' exposed

Damn I miss the, damn I miss the, damn I miss the
game

Game, when it's gon' come back, come back?

I'm gettin' tired of the dumb rap, dumb rap

Man I done been there and done that, let's move on

Damn I miss the, damn I miss the game

Game, when it's gon' come back, come back?

I'm gettin' tired of the dumb rap, dumb rap

Man I done been there and done that, let's move on

Yo what happened to the game?

All these niggaz rappin' the same and that's lame

Cats hustlin', bustin' they gat

But Kurtis Blow wasn't talkin' 'bout hustlin' crack

Now e'rybody on the grind
But Run-D.M.C. never killed nobody in their rhyme
They wasn't on that beef shit
And Melle Mel was the first one to talk that street shit

But e'ry since N.W.A. came out
Cats turned gangster and took that same route
To hear that I could listen to 'Pac
You bullshittin' and I'm wishin' it'd stop

Damn I miss the, damn I miss the, damn I miss the
game
Game, when it's gon' come back, come back?
I'm gettin' tired of the dumb rap, dumb rap
Man I done been there and done that, let's move on

Damn I miss the, damn I miss the game
Game, when it's gon' come back, come back?
I'm gettin' tired of the dumb rap, dumb rap
Man I done been there and done that, let's move on

I don't even listen to rap now
It make my head hurt when I listen to cats now
They sound like they all rhymin' in one route
So take the industry and put 'em all in one group

Since they on the same page
We should be able to boo them dudes offa the same
stage
F'real, I still love this rap shit
Even though the A runnin' with that snap shit

Even though the Bay runnin' with that hyphy
When I get on the mic niggaz still won't like me
The head crack, you can listen to me
You bullshittin', you ain't sicker than me, uh-huh

Damn I miss the, damn I miss the, damn I miss the
game
Game, when it's gon' come back, come back?
I'm gettin' tired of the dumb rap, dumb rap
Man I done been there and done that, let's move on

Damn I miss the, damn I miss the game
Game, when it's gon' come back, come back?
I'm gettin' tired of the dumb rap, dumb rap
Man I done been there and done that, let's move on

Let's move on, let's move on
Let's move on, oh yeah
We gotta move on
