

## Cassidy Feat. Snoop Dogg "Make U Scream"

Visit "[Make U Scream](#)" on MotoLyrics.com

I'd like to make sweet love to you, what you say you  
tryin' to do?  
I'll make u scream like, ahh and shout like, ahh  
And sing, do di do do di do do do, now what you say?  
I'd like to make sweet love to you, you ain't ready for  
me girl, listen  
I'll make u scream like, ahh and shout like, ahh  
And sing, do di do do di do do do, now what you say?  
I'd like to make sweet love to you, okay

I was told, "You ain't got it nice until you got a wife"  
But naw, I'ma baller 'cuz never gonna fall in love  
Sike, that's a damn lie, ladies put ya hands high  
Every man should get a woman to stand by

It's called devotion, emotions could make a man cry  
But Ma, wipe ya tears and just stare in that man eyes  
Prove that you there for him, prove that you care for  
him  
That's how you gotta act, prove that you got his back

Prove that you not a rat, don't creep and ho around  
Hold him down 'cuz you know what comes around goes  
around  
And I'm older now and it might sound kinda weird  
But man, all them damn AIDS commercials got me  
kinda scared

I'll make u scream like, ahh and shout like, ahh  
And sing, do di do do di do do do, now what you say?  
I'd like to make sweet love to you, you ain't ready for  
me girl, listen  
I'll make u scream like, ahh and shout like, ahh  
And sing, do di do do di do do do, now what you say?  
I'd like to make sweet love to you, okay

You ever laid on some pink mink sheets blowin'  
swishers  
Holdin' on some champagne while doin' ya damn  
thang  
Caressin' on the world main, addressin' you is no pain  
Betty Wright is playin' 'No Pain, No Gain'

I did it for the hell of it, "Hit it now", you tell a bitch  
Now she want a little bit, I did it for the smell of it  
It's relevant and evident, yeah girl, you heaven sent  
I love the way you break and take all the evidence

Pimpin' 'cuz I'm stayin' in your motherfuckin' residence  
While you out bringin' me back the dead presidents  
Pimpin', pimpin', pimpin' and you can say that I got you  
And I do it 'cuz I have to, plus I feel like I got you

I'll make u scream like, ahh and shout like, ahh  
And sing, do di do do di do do do, now what you say?  
I'd like to make sweet love to you, you ain't ready for  
me girl, listen  
I'll make u scream like, ahh and shout like, ahh  
And sing, do di do do di do do do, now what you say?  
I'd like to make sweet love to you, okay

Sis, if you make love to me, kissin' and huggin' me  
Lickin' and rubbin' me, it'll get ugly  
The bed got a mink spread, gettin' all cuddly  
Pop bub' the hot tub, gettin' all bubbly

You don't even gotta ask, all my girls got it bad  
Closet full of Prada bags and I ain't even gotta brag  
Yeah, I keep them lookin' real, go ahead you can push  
the wheel  
And if ya face tough, I might wake up and cook a meal

Whatever you ask for, it's yours  
We can go to my bungalow over in Tahiti with the glass  
floors  
Fish swimmin' 'round, the moonlight shimmer down  
I got the bomb stroke, girl get ya spine broke

I'll make u scream like, ahh and shout like, ahh  
And sing, do di do do di do do do, now what you say?  
I'd like to make sweet love to you, you ain't ready for  
me girl, listen  
I'll make u scream like, ahh and shout like, ahh  
And sing, do di do do di do do do, now what you say?  
I'd like to make sweet love to you, okay

I'll make u scream like, ahh and shout like, ahh  
And sing, do di do do di do do do, now what you say?  
I'd like to make sweet love to you, you ain't ready for  
me girl, listen  
I'll make u scream like, ahh and shout like, ahh  
And sing, do di do do di do do do, now what you say?  
I'd like to make sweet love to you, okay
