Couplet 1:

Do you wanna fly  
Or sail the seven seas  
Go traveling thru time  
Or to the heart of the far east, now

Bridge:

Come on, come on, you can do it  
Come, on come on, let's get right to it

Refrain:

Choose your own adventure  
Go where you wanna go  
See what you wanna see  
Choose your own adventure  
You got the power  
To be who you wanna be  
Every road's a mystery  
But you can choose where it will lead  
The whole world is yours  
Choose your own adventure

Couplet 2:

You could find a secret cave  
Or ski a mountainside  
Ride a tidal wave  
Protect a lion and her pride, now

Bridge

Refrain

Interlude:

There are so many different paths you can take  
Face the danger  
Save a stranger  
You're the one who controls your fate

Refrain
