Can't Do It Without You

(Chorus)

I can't believe how you got me  
and you love me this way (this way)  
I can't do it without you babe (do it without you babe)  
Don't ever leave, cause its so sweet,  
how you love me this way (this way)  
I can't do it without you babe (do it without you babe)

Verse 1:

It's the special way we touch  
How you cater to my needs (my needs)  
And the way you show you care for me (show you care  
for me)  
It's the look in your eyes  
When you tell me that you'e mine  
And the way you're always there for me (for me)  
It's no wonder why I feel this way

(Bridge)

Thought about this love of ours  
How into it he really is  
And I figured it out,  
I'll never find better love than the love you give  
Bet ya, can't think without you  
Not a doubt, that you're the one I need  
Look How Far we're come, since day one  
This is how it's supposed to be

\*Chorus\*

Verse 2:

It's the burning deep inside  
It's too hard to be denied  
It's the feeling when you're right there to hold me (right  
there to hold me)  
And incase you ever have a doubt  
I want to let you know this right now  
I'm Yours, you give me all the reason I need

\*Bridge\*

\*Chorus\*

Verse 3:

Don't know what I'd do if

I didn't have you with me

Don't think I could make it

Through a single day without you (2x)

\*Chorus\*
