Fuck it right, boy!  
You know I love it when you're  
Fuck it, fuck it right, boy!

Hook:  
Do my dance on your dick, oh you know you love the  
shit  
Do my dance on your dick, oh you know you love the  
shit  
Do my dance on your dick, oh you know you love the  
shit  
Do my dance on your dick, oh you know you love the  
shit  
Do my dance on your chick, oh, you know she love the  
dick!  
Fuck it, fuck it right, boy!  
Do my dance on your chick, oh, you know she love the  
dick!  
Fuck it, fuck it right, boy!  
Do my dance on your chick, oh, you know she love the  
dick!  
Fuck it, fuck it right, boy!  
Do my dance on your chick, oh, you know she love the  
dick!  
Fuck it, fuck it right, boy!

Dance, on it, on it!  
No worries when the lights off, cause you know I don't  
own it!  
If I get on top, put the quilt on top, I'mma own it!  
Get this girl with the willow talking, yeah I'm on it!  
Cause I'm .. swaying... swaying  
Yeah, yeah!  
Any change when you got it  
Siren sound enough and I'm on it!  
Uh, uh, bring the lights on, spark those right there!  
Always I'm round with a bad bitch, not just round here!

No way, don't know what you done me!  
I'll be talking today, I'll be talking tonight  
How many times is gonna take?

Boys time take flight!

Paying by the paper, ain't nobody gonna make the heat  
You need the one to make it, make it hot, hot, hot!  
So many times I'm in  
That round way, that... yeah  
We drunk em all day!  
So let me

Hook:

Do my dance on your dick, oh you know you love the  
shit  
Do my dance on your dick, oh you know you love the  
shit  
Do my dance on your chick, oh, you know she love the  
dick!  
Fuck it, fuck it right, boy!  
Do my dance on your chick, oh, you know she love the  
dick!  
Fuck it, fuck it right, boy!

I put a dress upon her waist cause it's high, it's  
high!  
Now it looks like we're fucking, but we're not, we're  
not!  
She just bouncing on my dick like the tramp thing,  
Got her hands in the air like the champion.  
If I let her keep going she will never gonna stop  
I don't wanna dance, I wanna make that pussy pop!  
Turn your bitch into some work and make her squirt  
If you'd knew what she's been doing, you'd be hurt!  
Yeah! It's only one night I wanna spend with your girl  
So if I fuck her, it's not the end of the world!  
She's wetter than the motherfucking Mississippi river  
You can't forgive her?  
That bitch!

Hook:

do my dance on your dick, oh you know you love the  
shit  
Do my dance on your dick, oh you know you love the  
shit  
I would do my dance on your chick, oh, you know she  
love the dick!  
Fuck it, fuck it right, boy!  
I would do my dance on your chick, oh, you know she  
love the dick!  
Fuck it, fuck it right, boy!  
You know I love it when you're  
Fuck it, fuck it right, boy!
