Don't, don't go too slow
I like it when you go real hard
Don't go too slow

Hoo Whoa
I've waited for this since I saw you
Now it's finally that time
To explore the way I really feel about you
You got me weak in my knees, hoo whoa
Even like I can't believe, ha ah
So if you want it come get it from me don't waste my
time
Listen when my body talks

Ooh boy I'm waitin' on you to put your lovin' on me
So hurry while the night's still young
And I promise that you will be, satisfied (satisfied)

Don't, don't go too slow
I like it when you go real hard
Don't go too slow [x2]

Hoo Whoa
Can't you give me somethin' better?
Somethin' that I ain't seen yet?
Somethin' that can take my breath a, take my breath a,
take my breath away
Hoo Whoa
What can keep me goin' babe
Ha ah
Cause if you can't I know somebody who can do it my
way (my way)
Who can listen to what my body says

Ooh boy I'm waitin for you to put your lovin' on me
On me so hurry while the night is still young
And I promise that you will be, promise you'll be
satisfied (satisfied)
So don't

Don't, don't go too slow
I like it when you go real hard

Don't go too slow [x2]

I'm warning you, don't go so slow
I'm warning you
I'm warning you, don't go so slow
I'm warning you

Don't, don't go too slow
I like it when you go real hard
Don't go too slow [x2]

I'm warning you, don't go so slow
I'm warning you
I'm warning you, don't go so slow
I'm warning you
