Yo Cassie

You a bad bitch Ima call you Lassie
Just left the tour last date Tallahassee

Don't mind me

Even witcha GPS couldn't find me

Lookin at this boy Ima call him McDreamy
I was wonderin if he got a good Dick Cheney
Got a Lamborghini so the doors go high
In a button down Chris Brown bow tie!

[cassie's part...]

Is that my cue

I'm lookin for some brain to boost my IQ

I'm like 5'2

My SAT sc-scores was high too

But I don't wanna brag, I Loui Vuitton bagged him
Hopped out the jag proceeded to shag-shagged him
Thought he was a queen I dr-dr-dragged him
Dodged to the room and whipped out the magnum

Slim, trim, also light skin

Now P-P-Peter put the pipe in

Yes sir I am that bitch

Fuck U Silly like the rabbit

giggles

Giddy Up Giddy Up

Now wake Diddy up Diddy up Diddy up

Young Money Nicki

Badboy Cassie

You wanna minaj

Now lets get nasty
