Gimme that x4
If you wanna be my lover,
Come give it to em straight baby
I don't wanna wait
We don't gotta tease each other
Ain't no need to play it safe,
You know what I'm trying to say!
Why don't you undress me with your eyes, eyes?

Boy I'm down for anything tonight x2
Oh come on, it's you all over me
You might as well give it up coz you belong to me x2

Chorus

Gimme that, I know you got it even with your hands
behind your back
Every time I feel it, I just don't know how to act
Get you tell the way I move it, I can handle that
Gimme that x6

Every time I feel it, I just don't know how to act
Get you tell the way I move it, I can handle that

Why don't you undress me with your eyes, eyes?
Boy I'm down for anything tonight x2

Oh come on, it's you all over me

You might as well give it up coz you belong to me x2

Chorus

Gimme that, I know you got it even with your hands
behind your back
Everytime I feel it, I just don't know how to act
Get you tell the way I move it, I can handle that
Gimme that x6

Every time I feel it, I just don't know how to act
Get you tell the way I move it, I can handle that

Chorus

Gimme that, I know you got it even with your hands
behind your back
Everytime I feel it, I just don't know how to act
Get you tell the way I move it, I can handle that
Gimme that x6

Every time I feel it, I just don't know how to act
Get you tell the way I move it, I can handle that
