In the beginning
I had no doubts in my mind.
We had our differences
But i thought it wuold be fine (so)
Infactuuated i was blinded by your kisses
You see me changing
Boy you had my mind twisted

[bridge]
What if you know my every move
Couldn't be cool with any dudes
So i changed it all for you
But boy it's getting to hard
Coz before this wasn't me
And how i thought a love would be
Boy i wanna be with you
But it's just too hard

[chorus]
We shouldn't have to try
It should just fall into place boy
To hard, to hard
We shouldn't have to force love
Why can't we just fall
To hard, to hard
Yeah i wanna be with you
But i don't wanna work (and)
If it's not easy
Then mabey it's not worth it
No, it's too crazy (oh boy)
It's too crazy
My heart is not in it no more
To hard, to hard

Just being honest baby
You know i wanna love yah
But it's a constance battle
Every time i'm with yah
I gotta change this
I gotta change that
How yah gonna know me
If i can't be myself

[bridge]

What if you know my every move
Couldn't be cool with any dudes
So i changed it all for you
Boy it's getting to hard
Coz before this wasn't me
And how i thought a love would be
Boy i wanna be with you
But it's just too hard

[chorus]

We shouldn't have to try
It should just fall into place boy
To hard, to hard
We shouldn't have to force love
Why can't we just fall
To hard, to hard
Yeah i wanna be with you
But i don't wanna work (and)
If it's not easy
Then may be it's not worth it
No, it's too crazy (oh boy)
It's too crazy
My heart is not in it no more
To hard, to hard

Ha, ha, ha, ha, hard...
To hard, to hard
Ha, ha, ha, ha, hard...
Oooh...

Don't wanna go
But i can't stay
Coz i don't wanna stress anymore
Don't wanna change who i am
You can't love me for me
Then tell me why should we be
To hard...
Oh to hard
Yay yay yay...

[chorus]

We shouldn't have to try
It should all just fall into place boy
To hard, to hard
We shouldn't have to force love
Why can't we just fall
To hard, to hard
Yeah i wanna be with you

But i don't wanna work (and)
If it's not easy
Then mabey it's not worth it
No, it's too crazy (oh boy)
It's too crazy
My heart is not in it no more
To hard, to hard

Ha, ha, ha, ha, hard...
To hard, to hard
Ha, ha, ha, ha, hard...
Ooh...
