

## Cassie "Keep On Lovin' Me"

Visit "[Keep On Lovin' Me](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Ah, ah, ah, ah, The Dreamer  
Ah, ah, ah, ah, I'm with my girl Cassie  
Ah, ah, ah, ah, The American dreamer  
Ah, ah, ah, ah, with my girl Cassie

Every time I turn around I hear something about you  
All my girls telling me about the bad things you do  
Everybody all up in my Louis bag  
Ain't talking about this there talking about that  
And they ain't gonna stop until break us in two  
But you have my love and I have yours  
Let them keep talking I ain't ever leaving  
Baby, I believe in you

There's nothing wrong with you  
There's nothing wrong with me  
There's something wrong with the world  
Just keep on loving me  
There's nothing wrong with you  
There's nothing wrong with me  
There's something wrong with the world  
Just keep on loving me  
There's nothing wrong with you  
There's nothing wrong with me  
There's something wrong with the world  
Just keep on loving me  
There's nothing wrong with you  
There's nothing wrong with me  
There's something wrong with the world  
Just keep on loving me

I'm tired of feeling wrong when I know that were right  
Why should I give a shit I'm tired of being nice  
See I ain't leaving her and she ain't leaving me  
So get used to it 'cause it's how its gonna be  
It seems like the whole world know what this is  
If it's up to 'em put there we can fix this  
You don't know my love they can't judge us

There's nothing wrong with you  
There's nothing wrong with me  
There's something wrong with the world

Just keep on loving me  
There's nothing wrong with you  
There's nothing wrong with me  
There's something wrong with the world  
Just keep on loving me  
There's nothing wrong with you  
There's nothing wrong with me  
There's something wrong with the world  
Just keep on loving me  
There's nothing wrong with you  
There's nothing wrong with me  
There's something wrong with the world

Just keep on loving me

Just keep on loving me  
Me, me, me, me, me, me  
Just keep on loving me  
Me, me, me, me  
(I love you baby)  
Me, me  
Just keep on loving me  
Mwah!  
Just keep on loving me  
Mwah, me  
Mwah, me  
Mwah, me  
Take it back to AT, yeah

There's nothing wrong with you  
There's nothing wrong with me  
There's something wrong with the world  
Just keep on loving me  
There's nothing wrong with you  
There's nothing wrong with me  
There's something wrong with the world  
Just keep on loving me  
There's nothing wrong with you  
There's nothing wrong with me  
There's something wrong with the world  
Just keep on loving me  
There's nothing wrong with you  
There's nothing wrong with me  
There's something wrong with the world  
Just keep on loving me

Just keep on loving you  
There's nothing wrong with  
There's something wrong with the world  
There's nothing wrong with you  
There's something wrong with the world you see

There's nothing wrong with you or me  
There's something wrong with the world you see  
There's nothing wrong with you or me  
There's something wrong with the world

There's something wrong with the world  
There's something wrong with the world  
There's something wrong with the world  
Eh, eh, eh, eh  
There's something wrong with the world  
There's something wrong with the world  
Eh, eh, eh, eh, eh  
There's something wrong with the world
