You are the prince of charm  
Seduction is your art  
You'll never play my love  
You're just my king of hearts  
You are my king of hearts  
If you're winning  
You might as well admit it  
And you can come and get it  
Or you can just forget it, forget it  
If you're winning  
You might as well admit it  
And you can come and get it  
Or you can just forget it, forget it  
You are the prince of charm  
Seduction is your art  
You'll never play my love  
You're just my king of hearts  
You are my king of hearts  
You are the prince of charm  
Seduction is your art  
You'll never play my love  
You're just my king of hearts  
You are my king of hearts  
Hear what you saying  
Baby, why you gaming? It's obvious you playing  
But you can just keep blaming, keep blaming  
Keep playing, baby why you playing?  
It's obvious you gaming  
But you can just keep blaming, keep blaming  
You are the prince of charm  
Seduction is your art  
You'll never play my love  
You're just my king of hearts  
You are my king of hearts  
You are the prince of charm  
Seduction is your art  
You'll never play my love  
You're just my king of hearts  
You are my king of hearts  
And we go, and we go go go go go go go  
And we go, and we go go go go go go go  
King of hearts, King of hearts, King of hearts, King of

hearts  
You are the prince of charm  
Seduction is your art  
You'll never play my love  
You're just my king of hearts  
You are my king of hearts  
And we go, and we go go go go go  
And we go, and we go go go go go
