can you put out this fire that burns inside , of me
before i lose it and go out of my mind
oh i hope that your prepared
dont you dere start acting scared
cause right now i want it
and i cant waste no time.
boy if you cant handle it just
let me know , my body's over heating
imma lose control
tell me if you ready for what i got in store
if you cant love me right you need to let me go.
(ohhhhhhh) (ohhhhhhh) (ohhhhhh)
let me go (ohhhhhh) (ohhhhhh) (ohhhhhh)
let me go (ohhh-ohhh) (ohhhh-ohhh)
let me go
