Let's get crazy tonight
Let's get crazy tonight
Let's get crazy tonight

I'm right here, all over the place like bubbles
My shine is like America's next top model
Hands clap when I'm rolling my body
That's a seven if I was rolling the dice
I don't care, I'll be dancing upon your table
Steal your bottle and I'll suck it down to the bottom
Think that I'm cute to you, just smile
What you gon' do about it now?
Let's get crazy tonight
Let's get crazy tonight

I don't really care what nobody think
Let's get crazy tonight
Looking all hot and spending them Gs
We are crazy alright
Wanna live wild and free [yeah yeah yeah] here's the
recipe so
Let's get crazy tonight
Let's get crazy tonight

You're right here and I know that you're looking for
trouble
And I just like the fire you need to rumble
It's all good cause we all keep to party I believe
That we gon' get it just fine
My Serac is on the rocks and is always double
So I could lose control, I like it baby when I stumble
Think that I'm cute to you, just smile
What you gon' do about it now?
Let's get crazy tonight
Let's get crazy tonight

I don't really care what nobody think

Let's get crazy tonight
Looking all hot and spending them Gs
We are crazy alright
Wanna live wild and free [yeah yeah yeah] here's the
recipe so
Let's get crazy tonight
Let's get crazy tonight

Let's get crazy tonight
Let's get crazy tonight
Wanna live wild and free [yeah yeah yeah] here's the
recipe so
Let's get crazy tonight
Let's get crazy tonight

[Akon]
Shawty so wow, shawty got style
Doing everything to me to make me just want it now
I can see how, body keep mesmerizing on me with that
beautiful smile
Checking me down
To a point to where I can't even speak no more
But needing you to know
That I'm a fan
And the way you got me caught up on you tonight I'll
never understand
Taking every bit of me to be so polite to be a
gentleman
But I can't help to have the same mini-state that you
have in your command
So let's just go crazy

I don't really care what nobody think
Let's get crazy tonight
Looking all hot and spending them Gs
We are crazy alright
Wanna live wild and free [yeah yeah yeah] here's the
recipe so
Let's get crazy tonight
Let's get crazy tonight

I don't really care what nobody think
Let's get crazy tonight
Looking all hot and spending them Gs
We are crazy alright
Wanna live wild and free [yeah yeah yeah] here's the
recipe so
Let's get crazy tonight
Let's get crazy tonight

Let's get crazy tonight

Let's get crazy tonight
Wanna live wild and free [yeah yeah yeah] here's the
recipe so
Let's get crazy tonight
Let's get crazy tonight
