I'd give anything, go anywhere
When it comes to your love
But the question that's burnin' in my heart
Is whether it's strong enough?

If you want me to stay
There's something we gotta do
I need to see years of us
I've got to trust if I'm not with you, heh

Ain't nowhere I belong, if I'm not with you
Ain't no place I call home, if I'm not with you
Constantly on the phone, if I'm not with you
If I'm not with you, if I'm not with you

Don't know if I can trust, if I'm not with with you
All of these questions, 'cause if I'm not with you
I hope you're expectin' this, if I'm not with you
If I'm not with you, baby

And I love it when it's just
The two of us layin' around
And I can't help, I want you to myself
The feelin's getting stronger now

So I hope you feel
The way I feel, I feel
I need to see years of us
I've got to trust, If I'm not with you

Ain't nowhere I belong, if I'm not with you
Ain't no place I call home, if I'm not with you
Constantly on the phone, if I'm not with you
If I'm not with you, if I'm not with you

Don't know if I can trust, if I'm not with with you
All of these questions, 'cause if I'm not with you
I hope you're expectin' this, if I'm not with you
If I'm not with you, baby

I hope you're not disrespectin' me
I'm hopin', I'm everything you need

And that all you wish for
You'll find in me

It's the way that you show
Show you care, show that you love
When you're not with me
Ain't nowhere that I belong

Ain't nowhere I belong, if I'm not with you
Ain't no place I call home, if I'm not with you
Constantly on the phone, if I'm not with you
If I'm not with you, if I'm not with you

Don't know if I can trust, if I'm not with with you
All of these questions, 'cause if I'm not with you
I hope you're expectin' this, if I'm not with you
If I'm not with you, baby

Ain't nowhere I belong, if I'm not with you
Ain't no place I call home, if I'm not with you
Constantly on the phone, if I'm not with you
If I'm not with you, if I'm not with you

Don't know if I can trust, if I'm not with with you
All of these questions, 'cause if I'm not with you
I hope you're expectin' this, if I'm not with you
If I'm not with you, baby
