[Intro]

Danja and the Clutch
I miss you girl
I miss you girl
I'm'a make you my official girl

[Verse 1]

Listen, today makes it a year
Don't you think it's time that you made it clear
You gotta get on your biz
Tell me what it ain't or what it is
I can handle it

I've had it up to here
I don't wanna pressure you dear
I've sent back to back dudes
Away from my door
Thinking I was spoken for
Not anymore

[Chorus]

And I'm tired
I'm tired
I'm tired
Of being your
(Your) Unofficial girl
Unofficial girl
And I'm tired
I'm tired of trying
(Ooh but I'm still your)
I'm still your unofficial girl

(You gotta learn to love me)
You gotta love me in the light and the dark
You gotta give me, give me
All of your heart
I wanna be your official girl
Said I wanna wanna wanna be your (Be your)
Official girl
I wanna be your official girl
I wanna be your official girl
Official girl (Official girl)

[Verse 2]

If you keep this up there's bound to be a mess cuz I
ain't really like duress
Put to the test I could surely pass
You better do the math
I'm so stylish
So bossy
It'd be ashamed to say you lost me
But if you want that
It's a wrap
And I won't look back
(And I won't look back)

[Chorus]

And I'm tired
I'm tired
I'm tired
Of being your
(Your) Unofficial girl
Unofficial girl

And I'm tired
I'm tired of trying
(Ooh but I'm still your)
I'm still your unofficial girl

(You gotta learn to love me)
You gotta love me in the light and the dark
You gotta give me, give me
All of your heart
I wanna be your official girl
Said I wanna wanna wanna be your (Be your)
Official girl
I wanna be your official girl
I wanna be your official girl
Official girl (Official girl)

I miss you girl
i miss you girl
I'm'a make you my official girl

[Bridge]

You better act right
I'm two seconds from being out the door

I miss you girl
I miss you girl
I'm'a make you my official girl

Said I won't be with you unofficially anymore

And I can't make you choose
Long as you're cool on knowing you're bout to blow a
good thing
And I ain't making ultimatums I'm'a tell you this
