How many godly creatures are there here! How
beauteous mankind is! O brave new world, that has
such people in't!"

shakespeare just like a dark mid summer night I lay
here
as I dream and close my eyes.
Gust of the cold night air felt so real.
Perfect, The stars and clouds are held so tight like a
blanket
enough to feel like candle light.
The Sonnets they cast a spell through my ear.

Nothings forbidden I love it here.
Tasting a fruit so fulfilling.
Shakespeare and love.
Just moonlight and us. (moonlight and us)
Shakespeare and love. (just shakespeare and love)
Bliss at 1st glance.
feel the romance
Just shakespeare and love.

Pondering
I've come so far I think I'm lost
Will I find him?
I'm close cause I can hear his voice.
Beside me a seat a rose and my feet.
(My Adonis) he then proclaims his love to me
(With a promise) He says that he will never leave.
Taste of a winters love from above.

Nothings forbidden I love it here.
Tasting a fruit so fulfilling.
Shakespeare in love.
Just moonlight and us. (moonlight and us)
Shakespeare and love. (just shakespeare and love)
Bliss at 1st glance.
feel the romance
Just shakespeare and love.

Then we lay neath the stars in the forest as a dew drop

mist fell upon us
Making sweet love, making sweet love, making sweet
sweet love
Innocence with a hint of seduction
with our lips we connected a lust.
As we both touched, as we both touched
Shakespeare and love

Just moonlight and us. (moonlight and us)
Shakespeare and love. (just shakespeare and love)
Bliss at 1st glance.
feel the romance
Just shakespeare and love.

Just moonlight and us. (moonlight and us)
Shakespeare and love. (just shakespeare and love)
Bliss at 1st glance.
feel the romance
Just shakespeare and love.
