Gave you my heart and than you took it and tore it apart. Can't believe i didn't leave you sooner, i must have been a fool and liked the scars. Yes i should've walked away but i was caught up in it would get better and i cant blame nobody but me for allowing you get away for how you treated me.

Chorus

But now i'm -

Single looking for somebody

Im single im looking for somebody

im single im looking for somebody who that will treat me right, yeah now that im single

verse 2

No matter how hard i tried you never wanted to compromise. You was alway a player alway . I shouldve seen through you, cause you gave me all of this time. Yes i should've walked away but i was caught up in it would get better, but i can't blmae nobody but me for allowing you to get away for how you treated me.

Chorus

But now i'm -

Single looking for somebody

Im single im looking for somebody

im single im looking for somebody who that will treat me right, yeah now that im single

There will be no more crying over you, or you making me feel insecure. You had my mind i couldn't see nothing, be nothing, do nothing .. no more control. Now im free to be me and ill find someone i'm single, single , single

Chorus x2

But now i'm -

Single looking for somebody

Im single im looking for somebody

im single im looking for somebody who that will treat

me right, yeah now that im single
