"What I Do"

Visit "[What I Do](#)" on MotoLyrics.com

I need some action
Some satisfaction
So keep it move it grooving tonight
Your reaction to my passion
Is such a feeling so right
I bet you like
I know that you want me
When I hit the dancefloor
Everybody want I gotta hit it like that
When I hit the dancefloor
Everybody want I gotta hit it like that

Just try to... I sort of hooked to you
It's what I do to you
It's what I do to you
It's what I do tonight

While I am drinking it's got me feeling a little naughty
tonight
I am feeling sexy you are so distractive
You are so hypnotic tonight
I bet you like
I know that you want me
When I hit the dancefloor
Everybody want I gotta hit it like that
When I hit the dancefloor
Everybody want I gotta hit it like that
It's what I do to you
It's what I do to you
It's what I do tonight
It's what I do to you
It's what I do to you
It's what I do tonight

Catch me on a dacefloor
Catch me on the dancefloor
Rocking that body rocking that body
Catch me on a dacefloor
Catch me on the dancefloor
Rocking that body rocking that body

It's what I do to you
It's what I do to you
It's what I do tonight
It's what I do to you
It's what I do to you
It's what I do tonight
