Ain't no use in speakin' when
Boy your body is talkin'
Ain't no use in speakin' when
Boy your body is talkin'
I can hear it talkin' louder and louder

Boy I know what you want
Baby I can read your body language
(No need to say it, I know just what you feel)
'Cause it's written all over your face

And now you want to stay with me yeah
(Love it when we get close, see it all in your eyes)
All of our emotions start to give in, that's the way we
really realize
(And we can't escape this feeling taking over)
Oh, I know just what your body's saying
So ain't no use in speaking

Ain't no use in speakin' when
Boy your body is talkin'
Ain't no use in speakin' when
Boy your body is talkin'
I can hear it talkin' louder and louder

Ain't no use in resisting how you feel
I know you want this
(Don't hesitate no, give in to what it is)
'Cause it's time and place
Your smile, you got me so excited
Ohh yeah
(Love is)

Ain't no use in speakin' when
Boy your body is talkin'
I can hear it talkin' louder and louder

Ain't no use in speakin' when
Boy your body is talkin'
Ain't no use in speakin' when
Boy your body is talkin'
I can hear it talkin' louder and louder

Oh, I can't get it now
Caught up in the moment
Temperatures flowing up
You know what you're doing to me
(I can't even say what, ain't no use in talking now)

Ain't no use in speakin' when
Boy your body is talkin'
Ain't no use in speakin' when
Boy your body is talkin'
I can hear it talkin' louder and louder

Ain't no use in speakin' when
Boy your body is talkin'
Ain't no use in speakin' when
Boy your body is talkin'
I can hear it talkin' louder and louder
