Do do do it again again again
Do do do it again again again
Tonight
Lets do it, Lets do it
I see my friend look at her watch again
She says my feet hurt so one more song than thats it
were going home
No way
I'm not leaving
the drum is beatin
Dj cuttin like a knife
and i dont think twice coz the beat is right
Doof doof cut runnin through the speakers
base line runnin run into my sneakers
Hey mic check 1 2 1 2
Scround up
Lets do it
Do it again
ki-kick is killin
Woah oh
Theres murder in the club tonight
Do it again
One more time
Woah oh
There's murder in the club tonight
Okay, so I'm not feeling
This guy trying talk to me talk to me
Tell me his name
So I just nod twice and I smile
You know
I can't here a thing, the dj's killing
so i dance with him anyway
He got a pocket full of cash and he's ready to pay
Doof doof cut runnin through the speakers
base line runnin run into my sneakers
Hey mic check 1 2 1 2
Scround up
Lets do it
Do it again

ki-kick is killin
Woah oh

Theres murder in the club tonight
Do it again
One more time
Woah oh
There's murder in the club tonight

Walk to the floor
My outfit's murderous
And don't act like you
Like you aint heard of us
and i mean like 4 real
its goin serial
Cause all the boys all say I'm feeling you
When we the most wanted
and, im killin it
Doof doof cut runnin through the speakers
base line runnin run into my sneakers
Hey mic check 1 2 1 2
Scround up
Lets do it
Do it again
ki-kick is killin
Woah oh
Theres murder in the club tonight
Do it again
One more time
Woah oh
There's murder in the club tonight

Do it again the ki-kick is killin
Woah oh
There's murder in the club tonight
Do it again
One more time
Woah oh
There's murder in the club tonight
Tonight
Tonight
no oohhh ohhh there's murder in the club tonight
Do it again
There's murder in the club tonight
Ha ha
