They say to get on in this life  
You gotta live right  
Go to school and keep your grades tight  
And you mustn't miss a round  
Keep your nose to the ground  
But the thing that I found

I can't do that it just ain't me  
Yeah, I dunno, you better ask somebody  
Still I hear 'em tellin' me to get my degree  
Sayin' it's the only way I'm gonna succeed

Well I don't necessarily wanna live that way  
I make my own rules when I play  
This game  
Called life I know you think I'm crazy  
But I don't necessarily wanna live like that  
So when I'm coming up to bat  
You think I'm a failure  
But I got heart  
And I'm gonna hit this out the park

I just don't wanna live that way

See I'm just tryna live my life  
I got my own way of doing things  
Now sayin' "you're wrong"  
Which just ain't right for me  
This is what I know  
So this is how I do  
Well that's just how I do

I go against the grain  
And I'll be just fine  
Stand up from the crowd  
I'm gonna get mine  
There's a fraction  
Too much friction

But I love fire works  
let us see the sparks flying?

Well I don't necessarily wanna live that way  
I make my own rules when I play  
This game  
Called life I know you think I'm crazy  
But I don't necessarily wanna live like that  
So when I'm coming up to bat  
You think I'm a failure  
But I got heart  
And I'm gonna hit this out the park

And no-one seems to get this  
No I'm not bein' rebellious  
I just don't wann to live that way  
I can't help it, it's just me  
And maybe one day you'll see  
That I just make my own rules when I play

But I don't necessarily wanna live like that  
So when I'm coming up to bat  
You think I'm a failure  
But I got heart  
And I'm gonna hit this out the park

Well I don't necessarily wanna live that way  
I make my own rules when I play  
This game  
Called life I know you think I'm crazy  
But I don't necessarily wanna live like that  
So when I'm coming up to bat  
You think I'm a failure  
But I got heart  
And I'm gonna hit this out the park
