Betcha don't know what cha couldve had  
If you did boy you'd be so sad  
You can keep looking for a thousand years  
Everything you needed was right here  
Betcha don't know what cha couldve had  
If you did boy you'd be so sad  
You can keep looking for a thousand years  
Everything you needed was right here

Verse

Boy you're missing out on  
A shoulder you could cry on  
Someone to rely on  
And anything else you could ever want

Doesn't really matter, whatcha putting down  
You will never find, anyone around  
Wholl give you what, you get from me  
Baby you, just wait & see.

Baby you could never  
Find somebody better  
Who has it all together,  
Nobodys got a thing on me!

I got the class, I got the cash  
You wanna a little piece of my oww!  
Baby there's, more to me  
Than the looks, that you see.

#### Breakdown

Oh! Everything you needed was right here (everything  
you needed was right here)  
Oh! Now I'm moving on and I don't care (now I'm  
moving on and I don't care)  
Oh Oh Oh. When you're all alone and I'm not there (and  
I'm not there)  
What you'll wish is my kiss so delish  
I'll be the one that you miss
