When the night has come and the land is dark
And the moon is the only light we see
No, I won't be afraid, no, I won't be afraid
Just as long as you stand, stand by me

And darlin', darlin', stand by me, oh, stand by me
Oh, stand, stand by me, stand by me

If the sky that we look upon should tumble and fall
Or the mountain should crumble to the sea
No, I won't be afraid, no, I won't be afraid
Just as long as you stand, stand by me

And darlin', darlin', stand by me, oh, stand by me
Oh, stand now, stand by me, stand by me

And darlin', darlin', stand by me, oh, stand by me
Oh, stand, stand by me, stand by me
