I am no fool...  
Fools are not cool...  
Thats why i not one...  
I got hit with a gun...  
But it was very fun...

I AINT NO FOOL!  
FOOLS ALWAYS DROOL!  
I find that really lame...  
Like my name!!!  
But hey its all the same

I went walking down the street,

Ugh.. to many people to meet  
They're probably more fools  
I can make them into Stools!  
Because....

I AINT NO FOOL!  
FOOLS ALWAYS DROOL!  
I find that really lame...  
Like my name!!!  
But hey its all the same
