I am a modern caveman  
Sittin' here by the fire  
These hands of mine been busy  
They never seem to tire  
I am a fearless hunter  
Look at all these bones  
Sometimes i sit and wonder  
Who i am and what I'm for  
I'm a caveman  
I painted lots of pictures  
And made up my own songs  
I shivered through the winters  
The pain has made me strong  
I'm looking for a woman  
To help me count these stars  
Then maybe she could show me  
Who i am and what i'm for  
I'm a caveman  
I named the constellations  
And taught myself to swim  
Created my creator  
And made me look like him  
I pondered my condition  
Till my head began to ache  
Right now I'm going fishin'  
It's good to be at the top of the food chain  
I'm a caveman
