Drums

A little guitar, please

One, two, three, four

I hope you're ready for the time of your life

Just look at me

I put a gleam in your eye

Buckle up

We're gonna take you for a ride

Let's go

We got you going

Get in the vibe

Everybody, put your hands to the sky

Buckle up

We're gonna take you, take you high

Show me, show me, show me, show me, show what you got

Come on, come on, come on, come on, ready or not

La-la-la-la-la, let me see how you rock

It's on, it's on, it's on

Get crazy, crazy, crazy; take it over the top

'Cause we, 'cause we, 'cause when we rock, we let it rock

Rock it, rock it, rock it; dance till we drop

It's on, it's on, it's on

Okay now, are you ready?

One, two

One, two, three, four

Showstoppin' when I step in the place

Before it's done, you're gonna beg me to stay

Get on board

Come on; let's ride the wave

Let's go, let's go

We just do what we do

Watch me break and pop

I'll blast it for you

You wanna rock like us?

'Cause we're never second place  
(You ready?)

Show me, show me, show me, show me, show what you  
got  
Come on, come on, come on, come on, ready or not  
La-la-la-la-la, let me see how you rock  
It's on, it's on, it's on  
Get crazy, crazy, crazy; take it over the top  
'Cause we, 'cause we, 'cause when we rock, we let it  
rock  
Rock it, rock it, rock it; dance till we drop  
It's on, it's on, it's on

Okay now, are you ready?  
Come on  
One, two  
One, two, three

The-the-the-there is no competition  
That's why we're in the number one position  
Your crew can't hang with us  
Man, we're too dangerous  
Ain't got the style or the stamina  
Just doin' my thing  
Get hooked on my swing  
Rockin' the place, droppin' the bass  
Makin' all the girls sing  
Yeah, we make the bells ring  
(It's on, it's on)

Drums  
Yeah  
A little guitar, please  
One, two, three, four

Show me, show me, show me, show me, show what you
