Cause we rock
We rock, we rock on
We rock, we rock on

Come as you are
You're a superstar
The world's in your pocket and you know it
You can feel that beat
Running through your feet
Hearts racing fast, you're rockin' rollin'

All that you need is the music to take you to some other
place
Where You know that you belong

Raise your hands up in the air and scream
Finding our voice followin in our dreams
Cause We rock,
We rock, we rock on
Nobody in the world's going to bring us down
The louder the go and the better we sound
Cause we rock
We rock we rock we rock on
We rock we rock we rock on
We rock we rock we rock on

Were finally letting go
Losing all control
Wont stop ourselves cause we love it
Not afraid to be everything you see
No more hiding out were gonna own it
All that you need is the music to take you to some other
place
Where You know that you belong

Raise your hands up in the air and scream
Finding our voice followin in our dreams
Cause We rock,
We rock, we rock on
Nobody in the world's going to bring us down
The louder the go and the better we sound
Cause we rock

We rock we rock we rock on

We got the music in our souls
But it's the dreams we want the most
It's the sound we reach for
Down here it turns our world around

We rock (Camp rock)
We rock we rock we rock on
Everyday and every night
We rock (Camp rock)
We rock we rock we rock on
Don't we wanna do it now

Raise your hands up in the air and scream
We're finding our voice followin our dreams
Cause we rock
We rock, we rock, we rock on
Nobody in the world's going to bring us down
The louder the go and the better we sound
We rock
We rock we rock we rock on

Raise your hands up in the air and scream
We're finding our voice followin our dreams
We rock (we rock)
We rock we rock we rock on
Nobody in the world's going to bring us down
The louder the go and the better we sound (we sound)
We rock
We rock we rock we rock on
WE ROCK!
