"Good Friend, Yr Hunger"

Visit "[Good Friend, Yr Hunger](#)" on MotoLyrics.com

And I cannot befriend you, true
In searching for my light in you
In seeking out it's
Sinless reflections, oh no

And I will not be an idle hand
I will not be an idle hand
Friend, I will be your idle hand no more

Love, I cannot be your lover, true
In searching for my love in you
In seeking it's
Sinless protection, oh no

And I will not be a hungry ghost
I will not be a hungry ghost
And good friend, your hunger
I will not host, oh no
