Father, hear my prayer  
I need the perfect words  
Words that he will hear  
And know they're straight from you  
I don't know what to say  
I only know it hurts  
To see my only friend slowly fade away

So maybe this time  
I'll speak the words of life with your fire in my eyes  
But that old familiar fear is tearin' at my words  
What am I so afraid of?  
'Cause here I go again

Talkin' 'bout the rain and mullin' over things  
That won't live past today and as I dance around the  
truth  
Time is not his friend  
This might be my last chance to tell him that you love  
him

But here I go again  
Here I go again

Lord, You love him so  
You gave your only son  
If he will just believe  
He will never die  
But how then will he know  
What he has never heard?  
Lord, he has never seen mirrored in my life

So maybe this time  
I'll speak the words of life with your fire in my eyes  
But that old familiar fear is tearin' at my words

What am I so afraid of?  
'Cause here I go again

Talkin' 'bout the rain and mullin' over things  
That won't live past today and as I dance around the  
truth

Time is not his friend  
This might be my last chance to tell him that you love  
him

But here I go again  
Here I go again

So maybe this time  
I'll speak the words of life with your fire in my eyes  
But that old familiar fear is tearin' at my words  
What am I so afraid of?  
'Cause here I go again

Talkin' 'bout the rain and mullin' over things  
That won't live past today and as I dance around the  
truth  
Time is not his friend  
This might be my last chance to tell him that you love  
him  
This might be my last chance to tell him that you love  
him  
This might be my last chance to tell him that you love  
him

You love him, you love him  
What am I so afraid  
What am I so afraid  
What am I so afraid of?  
How then will he know  
What he has never heard?
