It's crowded in a worship today
As she slips in
Trying to fade into the faces
The girls' teasing laughter is carrying farther than they
know
Farther than they know

But if we are the body
Why aren't His arms reaching?
Why aren't His hands healing?
Why aren't His words teaching?

And if we are the body
Why aren't His feet going?
Why is His love not showing them
There is a way? There is a way?

A traveler is far away from home
He sheds his coat
And quietly sinks into the back row
The weight of their judgmental glances tell him that his
chances
Are better out on the road

But if we are the body
Why aren't His arms reaching?
Why aren't His hands healing?
Why aren't His words teaching?
And if we are the body
Why aren't His feet going
Why is His love not showing them
There is a way?

But Jesus paid much too high a price
For us to pick and choose who should come
And we are the body of Christ

But if we are the body
Why aren't His arms reaching?
Why aren't His hands healing?
Why aren't His words teaching?

And if we are the body
Why aren't His feet going?
Why is His love not showing them
There is a way?

If we are the body
Why aren't His arms reaching?
Why aren't His hands healing?
Why aren't His words teaching?

And if we are the body
Why aren't His feet going?
Why is His love not showing them
There is a way? As Jesus is the way
